### KITTEN CARE PACKAGE

Hart Road Animal Hospital is pleased to offer our discounted Kitten Care Package. This package includes all of the professional services and products listed on the reverse side of this page, plus a 10% discount off of the cost of our already reduced spay and neuter prices if the spay or neuter is performed by the seventh month of age, and includes the recommended lab tests and comfort package.

Price: \$425 (regularly priced - \$500, you save \$75)

Payment terms:       First 50% payment at first visit  
                              Second 50% payment at second visit or 4 weeks from first visit

**Terms of agreement:**

All visits must be scheduled at the time of purchase. The recommended booster schedule must be followed. If a patient falls out of compliance of the schedule, the discounted plan will be forfeited and any subsequent services will revert to full price. The Kitten Care Package is a wellness plan, illness or injury visits are not included in the plan. The plan will be adjusted to accommodate pets that have experienced illness during the course of the plan if medically necessary. No substitution of services or products will be allowed unless determined medically necessary by the attending Veterinarian. Clients who choose to purchase the plan at the second wellness visit will be required to pay the full price of the plan at the second visit, minus any of the plan's services charged at the first visit.

I, \_\_\_\_\_, as a client of Hart Road Animal Hospital, am purchasing the Kitten Care package for my pet \_\_\_\_\_. I agree to follow the terms of the plan as outlined above and on the reverse side of this page. I understand and agree that no refunds will be given once the plan has been purchased regardless of when the plan was purchased, with regard to changes in ownership, or in case of loss or death of the kitten. Non-transferable.
